Each year the Rotary Club prepares a Christmas meal for the 1230th Transportation Company. This year the event was held at the Armory on Sunday, December 8, 2019. Rotarians arrived early to prepare a meal which included putting turkey and ham on the smoker and all the trimmings. Rotarians also made all kinds of desserts to complete the meal. Also at the event was a bounce house and craft room for the kids. A DJ kept things festive by playing great music. Rotarians received thank you upon thank you from the troops for the meal. It really was a great day enjoyed by almost 200 people. The event takes a lot of organizing and volunteer help. Special thanks to Joe Brown for organizing everything and to Warren Ballard for transporting and manning the smoker! Thanks Carlton for transporting all the food. So many others volunteered to make this event wonderful for the troops! Thank you to everyone who shared their time and/or brought a dessert. We couldn't support our community like we do without your Service Above Self!
